Jill: I can't open the first document, but the RA briefing paper opens. Can you just email me both word documents? Thanks.

See, the OneDrive versions didn't want to work already. I tried adding them again, and now they say the editing thing on the bottom, so maybe they'll work now.....good luck.

Subject: RA OR OA briefing docs

Hi all,

I've attached the briefing template and the briefing paper for our meeting with the RA on May 10. Please review the template and just double check the briefing paper. It is almost exactly the one we used last time, with one new piece inserted, which I highlighted. Please get any edits back to me by COB next Friday, May 4, as I'll need to make changes on Monday the 7th to submit to the RA by the 8th.

I've attached a Sharepoint version of each that you should be able to edit. However, I'm gone next week, so I've also attached a regular version, in case there are Sharepoint issues. Do what you have to do. Thanks.

jill
